Most loving Jesus, I adore You in the Most Blessed Sacrament, in Which You are truly present. I love You above all things and I long for You in my soul. Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour. — 1 Peter 5:8

God Cares

When all the world seems to forsake you,
And there's chaos in all your affairs;
When you're blue, disappointed and lonely,
Of one thing be certain...God Cares!

When your plans and your dreams come to nothing,
And your troubles show up in pairs, That's the time
to use your last ounce of faith,
And remember that always...God Cares!

We don't know the "why" and the "wherefore,"
For the pain and sorrow one bears;
But we do know this beyond doubting,
We are not forgotten...God Cares!

THE FIVE FINGER PRAYER

The five finger prayer is a great way to teach someone to pray, or a good model for anyone to use to pray. Remember, James 5:13-16 teaches us to pray for one another.

First, your thumb is nearest you. Begin your prayers by praying for those closest to you.

Second, the next finger, is the pointing finger. Pray for those who teach, instruct and offer comfort. This can include teachers, doctors, and ministers. They need support and wisdom in pointing others in the right direction.

Third comes the tallest finger. It reminds us of our leaders. Pray for the president, leaders in business and industry, and administrators. These people shape our nation and guide the public in many different ways. They need God's guidance.

Fourth comes our ring finger. We could pray for marriages and families. We could also pray for those who are weak, because our ring finger is the weakest of the five. You cannot pray too much for those who are weak, in trouble or in pain.

Fifth comes our little finger. It is the smallest of the five. It should remind us of our place in relation to God and others. God's Word teaches us that, "the least shall be the greatest among you" (Matthew 23:11). Your pinkie should remind you to pray for yourself. By the time you have prayed for the other four groups, your own needs will be put into proper perspective and you will be able to pray for yourself more effectively. Are you praying? Lance Morrisett
