BINGO UPDATE

Although it is good news that the CDC has altered its recommendations on mask wearing and social distancing, resuming bingo comes with questions for which the state is giving very little guidance and which might have legal implications; should we require masks of everyone? Should we require verification of vaccination? We keep looking for guidance through NYSDOH and the NYS commission for charitable gaming. We will proceed with the license application process which will take at least a month to complete. Perhaps within that time we will be given answers to our concerns. Stay tuned! – **Jan**
